

Introduction to OfBusiness + OXYZO

OfBusiness, and its NBFC arm Oxyzo Financial Services is one of the largest Infrastructure and Manufacturing financing and material supply company in India. We are channel partners to JSPL, JSW, SAIL and TATA amongst other firms and extend our secured financing services for procurement of raw materials across India. We also work with SMEs and Corporates to provide competitive rates and attractive project financing options, both secured and unsecured.

Please refer to our attached brochure and website for more information.
